THE PROGRAM

e primary purpose of the sociology program at Virginia Wesleyan University is to provide concrete occasions and intellectual resources that ca help students understand the social and cultural dimensions of human behavior. e community-oriented program provides students with the "toolkit" they need and the ability to apply their acquired skills at the next level. e applied, action-oriented nature of the program gives students hands-on experience and exposure to community involvement as well as valuable skills that employers seek. In addition, the program seeks to equip students with the necessary skills that are the foundation for graduate studies not only in sociology, but in a variety of elds such as social work, public health, law, and business.-

THE COURSES

INTERNSHIPS

students hands-on experience and exposure to community involvement as well as valuable skills that employers seek. In addition, the program seeks to equip students with the necessary skills that are the foundation for graduate studies not only in sociology, but in a variety of elds such as social work, public health, law, and business.
Students may elect to complement the classroom experience with an internship opportunity supervised by the department. An internship is a practiced, super vised experience in direct student learning in applied social settings in which students learn how sociological knowledge and skill sets can be applied to the-work place. Practical and applied learning through student a "competitive edge" for future

BEYOND THE CLASSROOM

e variety of skills that students gain through the sociology program enables students to plug into many roles, such as clinicians (with further study) and researchers who implement the theory in day-to-day life. Students enter a variety of career elds including public administration, education, social work, business, politics, protocol and personnel work. A degree in sociology also enables students to also work in health and human services-related elds or in the criminal justice system. In addition, some graduates seek postgraduate degrees such as law, M.S.W. and M.B.A. degrees.
