

BIOLOGY (Ba)

RECOMMENDED COURSES FOR STUDENTS PLANNING TO TRANSFER TO VWU

Students planning to transfer from Tidewater Community College to Virginia Wesleyan University should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. **Courses in blue are encouraged—they would put students ahead by having additional courses completed toward the major.**

Students who complete the Associate of Art or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES300)

BIOLOGY (BA)

VWU COURSE	TCC EQUIVALENT
BIO 130: Principles I: Evolution and Ecology	BIO 102: General Biology II
BIO 130: Principles II: Cellular Biology	BIO 101: General Biology I
CHEM 120: Introductory	CHM 112: General Chemistry II

CHOOSE ONE FROM:

MATH 171: Calculus I	MTH 263: Calculus I
PHYS 221: University Physics I	PHY 241: University Physics I
PHYS 222: University Physics II	PHY 242: University Physics II

WESLEYAN UNIVERSITY requires that all courses in this major be completed with a grade of "C" or better must be earned.
