

# TRANSFER GUIDE

Students planning to transfer from Thomas Nelson Community College to Virginia Wesleyan University should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. At transfer, students should complete all relevant courses at the time of transfer. Courses completed at another institution may require an additional year due to course sequencing issues. Courses in blue are encouraged—they may be completed at another institution. Courses in red are required—they must be completed at Thomas Nelson Community College. All courses will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).
