

TRANSFER GUIDE

Students planning to transfer from Thomas Nelson Community College to Virginia Wesleyan University should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. Courses in blue are encouraged—they are not required, but they will help you complete your degree more quickly. Courses in red may require an additional year due to course sequencing issues. Courses in green are encouraged—they are not required, but they will help you complete your degree more quickly.

Students who complete the Associate of Arts or Associate of Science degree will satisfy all of the VWU general studies program except for the junior/senior seminar (Seminar 3).
